Welcome to Canvas & Coffee

“The ethos behind this coffee shop is great coffee, friendly service and freshly prepared food. Our aim is to give every customer a great experience.

For first time guests I'd recommend our speciality; homemade Belgian Waffles. We freshly make each waffle to order using our own special recipe. We've had several comments that our waffles are actually better than the ones in Brussels; we'll leave you to decide that!

If you're feeling less indulgent our toasted sandwiches are a good option; we've taken time to pair our ingredients to make some great combinations.

Our Head Barista, Stephen Keith, ensures that we get the best out of our locally roasted coffee beans. His passion for coffee means that every Flat White, Latte and Cappuccino that goes out is in keeping with our high standards.

A lot of thought has gone in to the look and feel of the space; from the hand selected furniture to the music playlists. Our walls are decorated with original artworks, all of which are available to purchase.

Welcome to Canvas & Coffee.”

James Kellett, Founder.
